Registration Deadline for Presenters: January 24, 2025

\*Submit early to take advantage of discounted registration rates and scholarship opportunities.

---

We welcome your participation in and contribution to AGen2025, in partnership with the IAFOR Research Centre at the Osaka School of International Public Policy (OSIPP) at Osaka University, Japan. This international conference encourages academics and scholars to meet and exchange ideas and views in a forum stimulating respectful dialogue.

With the IAFOR Research Centre, we have engaged in a number of interdisciplinary initiatives we believe will have an important impact on domestic and international public policy conversations. It is through conferences like these that we expand our network and partners, and we have no doubt that AGen2025 will offer a remarkable opportunity for the sharing of research and best practice, and for the meeting of people and ideas.

The 11th Asian Conference on Aging & Gerontology (AGen2025) will be held alongside The 11th Asian Conference on Education & International Development (ACEID2025) and The 15th Asian Conference on Psychology & the Behavioral Sciences (ACP2025). Registration for one of these conferences will allow delegates to attend sessions in all three. We look forward to welcoming you to our March Tokyo Conference Programme this year.
