Welcome to The 13th European Conference on Arts & Humanities (ECAH2025), held in partnership with Birkbeck, University of London, the IAFOR Research Centre at the Osaka School of International Public Policy (OSIPP) at Osaka University, and in affiliation with University College London (UCL).

ECAH2025 encourages academics and scholars to meet and exchange ideas and views in an international forum stimulating respectful dialogue. This event will afford an exceptional opportunity for renewing old acquaintances, making new contacts, networking, and facilitating partnerships across national and disciplinary borders. We have no doubt that ECAH2025 will offer a remarkable opportunity for the sharing of research and best practice and for the meeting of people and ideas.

The 13th European Conference on Arts & Humanities (ECAH2025) is an interdisciplinary conference held alongside The 13th European Conference on Education (ECE2025) and The 5th European Conference on Aging & Gerontology (EGen2025). Registration for any of these conferences will allow delegates to attend sessions in the others. We look forward to seeing you in London and online!
