We welcome your participation in and contribution to The 4th Paris Conference on Arts & Humanities (PCAH2025), held as a part of IAFOR's European Conference Series and hosted at The Sorbonne University in 2025.

Paris has always been a city driven by strident ideas, where discussions and debates are lively, open, and frequently heated, overflowing into protests, strikes, and even revolution. The theories and the practices debated and implemented here, and the reforms and revolutions of Paris, have influenced and ignited those around the world. It is within this intellectual tradition, space, and place that we situate our own event here, in line with the IAFOR mission of 'encouraging interdisciplinary discussion, facilitating intercultural awareness, and promoting international exchange'.

The 4th Paris Conference on Arts & Humanities (PCAH2025) will be held alongside The 4th Paris Conference on Education (PCE2025). Registration for one of these conferences will allow delegates to attend sessions in both. We look forward to welcoming you to our Paris Conference Programme this year.
