We welcome your participation in and contribution to SEACAH2026, held in partnership with the IAFOR Research Centre at the Osaka School of International Public Policy (OSIPP) at Osaka University, Japan, and supported by the Singapore Exhibition & Convention Bureau.

This year, IAFOR returns to Singapore, situated centrally in the Southeast Asian region, which also comprises Indonesia, Vietnam, Laos, Brunei, Thailand, Myanmar, the Philippines, Cambodia, and Malaysia. Southeast Asia is a vibrant, thriving, and developing area, and boasts a great diversity of peoples, cultures, and ethnicities. As a recognised regional hub, Singapore is a great location to help further the IAFOR mission of encouraging interdisciplinary discussion, facilitating intercultural awareness, and promoting international exchange.

SEACAH2026 encourages academics and scholars to meet and exchange ideas and views in a forum stimulating respectful dialogue. Like our long-running events elsewhere in the world, our sixth in Southeast Asia will afford an exceptional opportunity for renewing old acquaintances, making new contacts, networking, and facilitating partnerships across national and disciplinary borders.

We look forward to welcoming scholars from across Southeast Asia and around the world for what is sure to be a great conference.
