Letter of Welcome

**From the Chairman of the International Academic Forum's International Advisory Board
& The Chairman of IAFOR Japan**

Dear Colleagues,

Welcome to the inaugural Asian Conference on Psychology and the Behavioral Sciences, and the inaugural Asian Conference on Ethics Religion and Philosophy, held jointly this year.

The aim of this event is to provide an opportunity for academics and scholars to meet and exchange ideas and views in a forum encouraging respectful dialogue. This international event will bring together a number of university scholars working throughout Japan, Asia, and beyond to share their research.

We have been very impressed by the range and quality of submissions received from the open call for papers, from authors all over the world, and representing many disciplines and approaches. We are confident that everyone will find reason to be intellectually challenged and inspired by the work of fellow members of the global academic community.

We encourage you, as academics working throughout the world, to forge friendships and working relationships with other participants across national, religious and disciplinary borders.

It is in this spirit of friendship and international cooperation, that we express our warmest regards to every participant.

We hope you enjoy the conference,

Yours truly,

S.D.B. Picken

Letter of Welcome

From the Executive Director of the International Academic Forum

Dear Colleagues:

Welcome to the inaugural Asian Conference on Psychology and the Behavioral Sciences, this year held alongside the first Asian Conference on Ethics, Religion and Philosophy. I am delighted that these two complementary events have been supported by the international academic community, and trust that you will take pride in being among the first participants.

These two interdisciplinary conferences look at what we know, and what we do not know about the way humans think, behave, believe, reflect and reason. I am excited by the scope of the papers, and by the number of different nationalities and cultures represented here. I look forward to being confronted by new perspectives and ideas, and to meeting all of you

The conference will be enhanced through its wide variety of presenters, who will draw on their diverse experiences and knowledges and on their academic, personal and geographical contexts, in a programme that promises exciting and challenging discussion. The speakers will be expressing divergent views, searching for common ground, and creating the synergies that can inspire multi-disciplinary collaborations.

I have no doubt that we will all be able to use the time spent at this conference for intellectual discovery and for the development of collaborative links and connections between the researchers, academics, scholars and practitioners who are attending.

I strongly encourage your active engagement with this conference, and very much look forward to meeting you and to continuing the work of ACP/ACERP into the future.

Respectfully,

Joe Haldane

Dr Joseph Haldane,
B.A. Hons., Ph.D., F.R.A.S.
Executive Director, The International Academic Forum

Parallel Sessions will run on Monday afternoon, and on Tuesday throughout the day, and are organized into streams. Sessions are usually 90 minutes in length, and normally include two or three presenters. Exceptionally there may be four presenters to a session, and the session length is increased accordingly to 120 minutes.

Monday Session 1: 13:00-14:30
Session 2: 14:45-16:15

Tuesday Session 1: 9:00-10:30
Session 2: 11:00-12:30
Session 3: 13:30-15:00
Session 4: 15:15-16:45

Presentations and Equipment

All presentation rooms are equipped with a screen, an LCD projector, and a Macbook laptop computer installed with PowerPoint software. You will be able to insert your USB flash drive or CD into the computer and double click on your presentation to open it in PowerPoint. We recommend that you bring two copies of your presentation in the case that one fails. There will also be a laser pointer.

If you are uncomfortable using the Macbook, you may also link your own laptop computer to the projector cable, however if you use your own Mac please ensure you have the requisite connector.

If needed, small speakers will be available. Please request the speakers before your session, and a member of staff will ensure that they are installed before your session.

Session Chairs

Session Chairs are asked to introduce themselves and other speakers (briefly), and ensure that the session begins and ends on time, and that the time is divided fairly between the presentations (see below). Each presenter should have no less than 30 minutes in which to present his or her paper, and respond to any questions. We recommend 20 minutes for your paper and 10 minutes for Q and A.

A Polite Request to All Participants

Participants are requested to arrive in a timely fashion for all addresses, whether to their own, or to those of other presenters. Presenters are reminded that the time slots should be divided fairly and equally between the number of presentations, and that they should not overrun. The session chair is asked to assume this timekeeping role.

Poster Sessions & Poster Requirements

Poster Sessions will be held in the Kiku base room. The poster frames are B1 and so it is recommended that posters be no larger than B1 (707mm x 1000mm/27.8 inches x 39.4 inches). A1 (594mm x 841mm/23.4 inches x 39.4 inches) would also be fine. If your poster is oversized, then we will be able to provide adhesive single-sided and double-sided tape.

Internet

There will be no Internet connection in the presentation rooms, but there will be wireless connection in the communal areas and the 2F lobby of the Ramada Hotel. If you are staying at the hotel then all rooms include a complimentary broadband access point. For your convenience, there will also be a limited number of computers wired up to the Internet in the Kiku base room.

Badges

When you check in, you will receive a conference package, which includes your name badge. Wearing your badge IS required for entrance to the sessions. If you lose your badge it can be replaced for a fee of JPY 5000. You must wear your badge at all times during the Conference.

If you are not wearing your badge, security will stop you and ask you to show your ID and evidence that you are registered. Those unable to show proof will be escorted from the Conference by security. There are (4) colors of badges indicating the type of conference participant: RED: Presenters and General Audience; YELLOW: Keynote and Featured Speakers; BLACK: Conference Volunteer Staff/IAFOR Staff; BLUE: Conference Exhibitors and Affiliates.

What to Wear & Bring

Attendees generally wear business casual attire. You may want to bring along a light jacket or sweater, as the temperature in meeting rooms is often difficult to control.

Security

The Japanese police have been enforcing random passport and identification checks. If you do not have identification when stopped, the police will detain you. There may also be a financial penalty. For the enjoyment of all participants, inappropriate behavior will not be tolerated and violators will be removed from the premises. Do not leave personal items or conference bags unattended anywhere in the Ramada Osaka as this will be taken away by security.

Smoking

The Ramada Osaka has implemented a Clean Indoor Air Act; therefore, smoking is not permitted in any of the conference rooms or the ballroom. Please smoke only in designated areas.

Photo/Recording Waiver

There may be photography, audio or video recording at the conference. By entering the event premises you give consent to the use of your photograph, likeness or video or audio recording in whole or in part without restriction or limitation for any educational, promotional, or any purpose for distribution.

Meals & Drinks

Refreshment Breaks

Coffee, tea, and light snacks will be provided twice a day, in the middle of the morning and the middle of the afternoon in the Kiku base room. All other meals, including lunch and dinner, can be purchased at any of the restaurants or convenience stores in and around the Ramada Osaka.

As a conference registrant, and if you are staying at the Ramada Hotel, your room includes breakfast. This is a good occasion to start the day and meet other delegates. You must book through the RAMADA OSAKA to enjoy this arrangement.

The Ramada hotel has arranged for a 20% discount on food and drink purchased from the Lampada Restaurant (16F), the Tenzan teppanyaki Steak Restaurant (B1), Neuf-Neuf Dining and Café (1F), and the Tres Tres Bon Gourmet Deli(1F). To access this discount, please present your registration pass.
